General Information

Louisiana Revised Statute 47:303(D) provides that the Secretary of the Louisiana Department of Wildlife and Fisheries (LWF) may not register or issue a certificate of registration on any new boat or vessel purchased in the state until satisfactory proof has been presented certifying that all state, municipal, school board, and/or parish sales taxes have been paid. Nor may he register or issue a certificate of registration on any boat or vessel brought into this state until satisfactory proof has been presented certifying that all state, municipal, school board, and/or parish use taxes have been paid.

This certification form must be signed by the purchaser of any boat subject to the provisions of the statute.

BOATS BROUGHT INTO LOUISIANA FROM ANOTHER STATE: In the case of a boat brought into Louisiana from another state, the certification must also be signed by a tax officer or other authorized representative of the Louisiana Department of Revenue and a representative of the parish. If any sales taxes are due, they must be paid directly to the Department of Revenue and/or such payment noted on the signed certificate.

BOATS PURCHASED FROM BOAT DEALERS OR BUILDERS: In the case of boats purchased from a Louisiana dealer or builder, any sales taxes due must be paid to the dealer or builder for payment to the Department of Revenue. This form must be completed and signed by both the dealer or builder and the purchaser certifying that such payment was made. Boats sold by a Louisiana dealer or builder before April 1, 2016 are subject to 4% state sales tax. Boats sold by a Louisiana dealer or builder on or after April 1, 2016 are subject to 5% state sales tax.

ISOLATED OR OCCASIONAL SALES OF BOATS: Boats that are sold by individuals may be considered an isolated or occasion sale if the seller is not engaged in the business for selling boats. If the seller is selling a boat that he no longer uses and he sells to another individual, this transaction would be classified as an isolated sale. However, if the seller periodically buys a boat to resell, then this seller would be considered a “dealer” under Louisiana sales tax laws. See “Boats purchased from boat dealers or builders” above. Isolated or occasional sales are subject to state sales tax at rates as shown in the box below.

From	To	Tax Rate
7/1/03	3/31/16	0%
4/1/16	6/30/16	4%
7/1/16	6/30/18	0%

The certificate must be signed by the purchaser, and a tax officer or other authorized representative of the Louisiana Department of Revenue. The prior owner’s LWF registration certificate must be properly signed over to the new owner. A copy of the prior owner’s LWF registration certificate and a bill of sale must accompany the Tax Payment Certification request.
